

Nylon long expansion plug with spike

Reference: STR

Efficient

Screw anchor designed to expand in the 2nd cell of the breeze block: s

Polyvalent

Long lengths enable application on insulated walls.

Dessin technique

Description longue (Informations techniques)

Family: Light fixing

Assessment: ETA

Assessment: Fire90

Base material: Brick

Base material: Hollow cinderblock

Base material: Concrete

Base material: Hollow brick

Material: Zinc plated steel

Material: Nylon

Type: Plug

Loads: Medium

Loads: Light

Screw head: Hex
